

# FINN BO GEORGE

## Swiss-British Singer-Songwriter

Foto: Christian Mattis, Bern

Born in Greenwich, London (UK) in 2006, Finn Bo George Swirles grew up in Aarau and Bern with musical parents.

Singing, piano and guitar form the basis of his music.

After studying piano at the Bern Conservatory Music School and taking singing lessons with Andreas Lareida, he is currently continuing his training with English baritone Robin Adams in Bern. In January 2026, he completed his training as a 'Youth and Music Leader' at the Federal Office of Culture.

Finn Bo George is a trained 'EFZ Children's Specialist Supervisor' and worked for a year in his profession in his hometown of Thun (BE) before becoming a freelance young musician in the summer of 2025.

His debut album 'From Outer Space' was recorded in August 2025 at Templestudio Freiburg i. B. (Baden, Germany) and released with a concert in the Great Hall of the Bern Conservatory on 20 November 2025. It is a very personal project that captures his musical journey over the last few years. The young musician is particularly pleased that his cousin Tom Swirles, who studies percussion in Manchester, accompanies him on drums in his self-composed and written songs and is a permanent member of FINN BO GEORGE's band.

Since his first appearance on SRF Zambo (now SRF Kids) in 2017, the stage has been FINN BO GEORGE's home. His debut album, his own early songs such as 'Realise', 'Lights Out', 'Cousin' (2023) and the hit song 'Story' from 2017 (which spent a year at the top of the SRF Zambo charts), as well as his stage debut at the Badeseer Festival in 2023 and media coverage to date (including SRF Kids, Radio Beo, [plattformj.ch](http://plattformj.ch)), have shaped his musical journey so far.
