# Finn Bo George

Swiss-British Singer-Songwriter

Born in Greenwich/London (GB) in 2006, Finn Bo George Swirles grew up with musical parents in Aarau and Bern. Singing, piano and guitar form the basis of his music. After studying piano at the Bern Conservatory and taking singing lessons with Andreas Lareida, he is currently training with the English baritone Robin Adams in Bern.

His application to become a “Director of Youth and Music” is running.

Finn Bo George now lives in his home town of Thun in Switzerland and works part-time as a specialist childcare worker to earn his living.

Finn Bo George’s debut album “From Outer Space” was recorded in Freiburg i. B. (D) in August 2025 and will be released in November 2025. It is a very personal project that captures his musical journey over the last few years. The young musician is particularly pleased that his cousin Tom Swirles, who studies drums in Manchester, accompanies him on his songs as a drummer.

Since his first appearance on SRF Zambo in 2017, the stage has been Finn Bo George's home. Media contributions, his own songs such as “Realise”, “Lights Out”, “Cousin” (2023) and “Story” (2017) as well as live performances at up-and-coming platforms - including the Badesee Festival 1923 - have shaped his career to date. The song “Story” topped the SRF Zambo (now SRF Kids) charts 2017/18 for a year.
